# FINANCIAL LITERACY

## Prepare Students for Their Financial Future

NEW!

*From personal finance and entrepreneurship to market economics and globalization, Rosen Online's Financial Literacy database makes economics and finance both readily comprehensible and highly engaging. Created expressly for students in grades 7–12, database articles explore macro-, micro-, and global economics as well as personal and household finance.*

HOW LONG WILL IT TAKE ME TO PAY OFF MY CREDIT CARD?

WHAT DOES IT MEAN WHEN A MORTGAGE IS "UNDERWATER"?

WHAT ARE THE BEST COLLEGE SAVINGS PLANS?

### *Online resource features:*
